Who We Serve

👥 Our Target Audience

🔬 Sarah, Science Student

19-year-old Biology major, MCAT prep

- Overwhelmed by dense textbooks
- Struggles with focus during long sessions
- Needs efficient study aid creation

🎓 Alex, Exam Prepper

17-year-old preparing for SAT exam

- Managing multiple subjects effectively
- Needs practice questions & weak spot ID
- Requires structured study schedule

💼 David, Professional

35-year-old taking certification courses

- Limited study time around work
- Needs flexible learning tools
- Wants practical knowledge application

💡 Problems We Solve

⚠️ Time-Consuming Study Aid Creation

Creating flashcards, summaries manually takes hours

✅ AI automates creation in real-time

⚠️ Poor Focus & Procrastination

Difficulty maintaining concentration during study

✅ Pomodoro timer with structured breaks

⚠️ Information Forgetting

Poor retention after initial studying

✅ Spaced repetition with smart reminders

⚠️ Various Material Formats

Handwritten notes, PDFs, audio - hard to organize

✅ Multi-format upload & processing

✅ Review Complete

Next review automatically scheduled

🏆 Benefits

Long-term Retention
95% retention after 30 days

Optimal Timing
Reviews just before forgetting

Progressive Difficulty
Adapts to your learning pace

Fresh Content
New quizzes every review

⚙️ Smart Features

Auto Rescheduling	↻
One Attempt Rule	⚠️
Missed Review Recovery	↻
Progress Tracking	📊

∞ **Scientifically-proven spaced repetition for permanent knowledge retention**

Key Features Summary

Everything you need to master any subject

Focus Timer

• 25-min Pomodoro sessions
• 5-min automatic breaks
• Pause/Reset/Skip controls
• Audio alerts & warnings

Smart Upload

• Voice recordings
• Images & PDFs
• Text input & links
• Real-time AI processing

AI Content

• Smart summaries
• 5-6 flashcards per session
• 6-8 quiz questions
• Instant generation

Spaced Review

• Power-of-2 schedule
• Smart reminders
• Auto rescheduling
• Fresh content each review

Session Manager

• Custom session naming
• Completed sessions list
• Favorite marking
• Progress tracking

Smart Alerts

• Study time reminders
• Break notifications
• Review alerts
• Personalized schedule

User Profile

• Email authentication
• Study preferences
• Category selection
• Profile customization

Flexible Plans

• Free tier available
• Premium $5.99/month
• 45-day trial period
• No ads for premium
